When I joined Manchester City, I met a kindred spirit in Will Meredith. We worked off a few training stunts together on the Hyde Park ground. Billy would take the ball at full speed from one end of the field to the other whisk it across at all angles, and I would be there to trap that cross-kick first time and let fly at Jack Lyall!

Day after day we persevered at corner-kicks, penalty-kicks, and even throwing in the ball. Some laughed at us, and called it unnecessary work, but you may take it from me that no true craftsman will call earnest manipulation of the tools of his calling a waste of time. Concentration, wholeheartedness, and a deep-seated ambition to get on will bring success to the new senior. But there is no shirking. To those who are entering senior football from the minor ranks, I think Alec Raisbeck's advice should be more than useful. I heard my old Liverpool clubmate handing it out to a new recruit at Anfield—

"Be first," said Alec. "Get after the ball. Beat the other fellow; and if you cannot take the leather from him, force parting before he gets settled down. Keep on after it. When a goalkeeper gets a shot, be up. He might drop the ball. Make opportunities and take them quick."

Too many juniors fail because they try too much, refuse to act as instructed, and fancy they know more than those who have been more years in football than they have been minutes. But it has been my experience that, in football as in every other pursuit and calling, hard work is the keynote to success. More work, more study, and we'd have more successful recruits from the junior ranks.

Subscribers are informed that the "Soccer News" is on sale on Friday night at the following branches of the N.S.W. Bookstall: Central Railway Station, Granville, Campsie, Arncliffe, Kogarah, and Balmain Ferry Wharf (the foot of Erskine Street).

for the Ryde Soccer Club will be held in Mr. Jack Hibberd's West Ryde Billiard Saloon.

The election of officers resulted as follows:—

Secretary and Treasurer: W. Boardman.  
President: Mr. Grant.  
Vice-Presidents: Messrs. C. Davis, E. A. Heap, R. Cadman, F. S. Pacey, Morrison, E. Norman, Cronin, Gus Bowe, and Dr. Boulton.

Delegates: R. Bowers and W. Boardman.

After much discussion it was decided that the club colors should be Maroon and Gold.

Two teams will be entered in the competitions—an all-age and an under sixteen.

the number of people who intended witnessing an exhibition of their national sport on that day. Many thrilling incidents are recorded of that game, including a delay of forty minutes at the start owing to the playing pitch being invaded, and only when the players appeared on the field and appealed to the crowd was the ground cleared sufficiently to allow the game to begin, and then only as far as the touch and goal lines; in fact, the game was nearly abandoned. Such incidents and many others are associated with practically all big games on the other side, and the first Chinese game of last year is only a forerunner of what we here may expect in the near future.

#### HINTS FOR CLUB SECRETARIES.

- (1) All protests must be in writing, and in duplicate, and lodged with 10/- fee within two days.

## JIM CRUM.

### Sydney Club Explains.

Mr. V. Paling, Hon. General Secretary, writes as follows:—

On behalf of the selectors of the Sydney Club, I wish to announce that we were sorry to part with Jim Crum, the representative full-back, who signed on and played in the practise games.

When Jim joined up it looked as though we would need a couple of first-class defenders, but since

that Montgomery offered to stand down if it would benefit the team, but the remaining selectors were convinced that the backs must be Montgomery and Crum, or Montgomery and Smart.

Preference was given to Smart, not that he was considered a better back than Crum, but because he served the club so well last season, and it was considered inadvisable to exclude Smart, even for such a splendid representative full-back as Jim Crum.

We knew many first division

### OUR VISITORS.

To-morrow the Canadian team is due to arrive in Sydney, and a hearty welcome awaits it throughout the whole of Australia. In Sydney special efforts are being made to ensure them the most enjoyable stay possible. They are to be housed at the Hotel Sydney, and have been granted the use of the Y.M.C.A. Gymnasium for training purposes.

The Lord Mayor will welcome them at the Town Hall, on behalf of the citizens of Sydney, at 11 o'clock on Monday, while the Commonwealth Association will tender its official glad-hand to the team on Monday night. Arrangements are being made for a harbour excursion on the launch "Premier," and the local theatre managements have issued invitations for the members of the touring party at the various shows.

Association functions will be held on May 10th and 17th, after the matches, while facilities for training are available at the Show Ground. It will be seen that the standard of our tours is steadily rising, and in this the Soccer Code is able to more than hold its own easily, and it is a matter of great gratification to the Code, to be able to treat its visitors in a generous way. It is our desire to show the Canadians by our warm welcome that we are glad to have them in Australia, and to make them sorry to leave us.

"Granville" Robertson, the left

When queried about his chance in 1924, the Secretary (Balmain Gladstones) scratched his head and said: "Well, can you pick to beat us? We have a host of fashionable players 'Fairplay.'" April 24th.

Who can you pick to meet us? To bally well defeat us? You can't deny that we follow fashion. Cut and fit are our ruling passions. Gaze at the shirts and the so wear, And the lovely kinks in our oiled hair. Every man is a perfect vision. Of polished immaculate precision. These are the words the Secretary said. As he smiled at me and scratched his head!

Last week the "Soccer" programme of Balmain Fernleigh v Two Blues showed No. 5 a "Terrier!"—Leading a dog's Eddie?

The pen might be mightier than the sword, but, when one at the caricatures of some Soccer heads in last week's of a certain Sydney sportsperson, one realises the terrible—that it can be a great deal cruel.

The "Sun" says Smith, Manuels and Peel are not first-grade standard. — Fernleigh has slipped Peel!

"Granville" Robertson, the left winger of Gladesville, is that club's sole representative in the selected men for training for the Canadian match. Robertson is a two-footed player, and knows the game alright. His tendency to let him opponent "rile" him is often, however, his undoing.

#### POT SHOTS.

When queried about his Club's chance in 1924, the Secretary (of Balmain Gladstones) scratched his head and said: "Well, who can you pick to beat us? We have a host of fashionable players."—"Fairplay," April 24th.

Who can you pick to meet us, To bally well defeat us? You can't deny that we follow the fashion. Cut and fit are our ruling passion. Gaze at the shirts and the sox we wear. And the lovely kinks in our well-oiled hair.

Every man is a perfect vision, Of polished immaculate precision. These are the words the Secretary said As he smiled at me and—he scratched his head!

Last week the "Soccer News" programme of Balmain Fernleigh v Two Blues showed No. 5 as "E. Terrier!"—Leading a dog's life, Eddie?

The pen might be mightier than the sword, but, when one gazes at the caricatures of some of the Soccer heads in last week's issue of a certain Sydney sporting paper, one realises the terrible truth—that it can be a great deal more cruel.

The "Sun" says Smith, Vidler, Mannels and Peel are not up to first-grade standard. — Perhaps Fernleigh has slipped on the Peel!

As New South Wales teams were the first to defeat the "Hood," I suppose it is due to the fact that no one can Hood-wink N.S.W.'s teams.

The youngster who listens to the voice of experience and profits thereby, is on the right "tack."—"Soccer News." Getting down to tin-tacks, so to speak.

## LACHLAN RANGERS v. ST. GEORGE.

In a good fast game St. George, on the Ranger's home ground, Waterloo Oval, defeated Lachlan Rangers by 3 goals to 1. At half-time St. George led 2—0, but in the second half the Rangers took a hand, so that when Vic. Edwards, Rangers' inside left, after a beautiful solo effort, scored a gem of a goal, both teams received a further incentive. The undoing of Lachlan Rangers, were the Saints' half-backs, who made full use of their greater height as compared to the Rangers' halves. Rangers' forwards failed to combine with one another; too much individual play being indulged in by them. Better results would have been attained by the Rangers if they had played a spoiling game. McCoy, Craig and Millington did well for the Rangers, also Berry in goals was reliable.

St. George's left half and left back were their pick, together with Weeks and Hayes. Rangers should do better to-day when they meet Leichhardt.

To-day's Senior Fixtures:  
West Wallsend v Cessnock, at Tramway Ground.  
Adamstown v Neath.  
Wallsend v New Lambton.  
Weston v Kurri.  
Mayfield the bye.

## Points to date.

Wallsend, West Wallsend, and Cessnock, 3 points.

New Lambton, Kurri Kurri, 2 points.

Neath, Weston, Adamstown, 1 point.

Mayfield, nil.

West Wallsend, the State champions, although handicapped by "Podge" Maunders' unfortunate accident, are reported stronger than ever this season. All last season's players are available, and with the inclusion of Les. Brown late of Cessnock, the Blues should bid well for the retaining of the Cup. "Podge" Maunders' broken arm will mean a big loss to Soccer, as well as to his club. He has not slipped; his six goals against the Navy proved that he is in good form, and his inclusion in the tests looked a certainty. Big Dick Sneddon, Westy's old warhorse, was stripped as emergency last Saturday at Adamstown, and was eager to get into action. It has often been said that Sinclair is done, but after Saturday's game the critics must admit that he still has a lot of football in him. West Wallsend just managed to win against Adamstown on Saturday by the only goal of the day. Adamstown had a few good openings which Gilbert, the centre forward, did not make use of. Tommy Coates played left half; Bunny Muir filled the outside right berth. In Adamstown's team against Westy Broilgy Elgey guarded the sticks, and his experience as custodian of the goals stood him in good stead. He also put confidence into his team. Adamstown appear to be strong again this season backs and halves being the same as last year, with Lambert and Peter Doyle improving. The centre forward position, however, is

Wallsend, who the previous Saturday played a draw with Westy, at Westy, accounted for Kurri at Wallsend by 3 goals to 1. Wallsend are a formidable side, and will be a hard nut to crack. After Kurri's good showing against Neath the previous Saturday, when they won 4 to 1, it must have been a shock to the supporters to see them defeated 3 to 1. Bill Craig, Peter Davidson, and Bungi Gibson scored for Wallsend, and J. Price for Kurri. Weston visited Neath, and could only play a draw; they, however, had a bye the previous Saturday, and were not in the stride. Weston will play their first competition game on the new playing area on Saturday when they meet Kurri, the game being a real local Derby. Westy are buying this ground, and have already provided seating accommodation for 250 persons, with more to follow. Congratulations on your venture.

Wallsend will meet New Lambton to-day, and the newly-formed senior team will need to be at their best to avoid defeat; Jordan in goal is a tower of strength; catching is clean, and he gets of the ball nicely. They will without their captain, Jack Ison, who was injured in a motor accident on Good Friday; his absence will be a loss to his team. No report is to hand regarding the personnel of the team, so cannot comment on it.

Cessnock and Westy meet the Tramway to-day, and the retaining of the top position of the table will be earnestly contested. In Westy team Frank Hayes the centre position, that being only alteration to the team defeated Adamstown. Cessnock have had their two previous matches at home, and not much is known of the form of some of their players. It will be seen Hannah still keeps goal, G. Williams is full back, Wedge and G. Rowe, with new man, are the halves. The forward line is well known to Soccer lovers. Williams, Leonard

The centre forward position, however, is causing the officials a good deal of worry, and a suitable player to fill that berth is being eagerly sought after. Adamstown have every reason to be satisfied with the gate on Saturday last, especially for practically an open ground.

#### COMPETITIONS SUSPENDED.

The Senior Competitions will be suspended next Saturday, the 10th May, for the Metropolis v. Canada match, and also for the 17th May for the N.S.W. v. Canada match.

By P. J. Sheppard.  
Wallsend, who the previous Saturday played a draw with Westy, at Westy, accounted for Kurri at Wallsend by 3 goals to 1. Wallsend are a formidable side, and will be a hard nut to crack. Wallsend will meet New Lambton to-day, and the newly-formed senior team will need to be at their best to avoid defeat; Jordan in goal is a tower of strength; his catching is clean, and he gets rid of the ball nicely. They will be without their captain, Jack Parsons, who was injured in a motor accident on Good Friday; his absence will be a loss to his team. No report is to hand regarding the personnel of the team, so I cannot comment on it.

Cessnock and Westy meet at the Tramway to-day, and the retaining of the top position of the table will be earnestly contested. In Westy team Frank Hayes fills the centre position, that being the only alteration to the team that defeated Adamstown. Cessnock have had their two previous matches at home, and not much is known of the form of some of their players. It will be seen that Hannah still keeps goal, G. Williams is full back, Wedge Durie and G. Rowe, with new man Curragh are the halves. The forward line is well known to Soccer followers—Williams, Lennard, See McNaughton, and Slarkes.

The winner will be hard to pick, but to make a choice I will choose the Blues.

No report is to hand from Neath or Mayfield. All reports

for insertion in the "Soccer News" to be forwarded to P. J. Sheppard, Hon. Secretary, not later than Tuesday each week. Also teams for programme must be forwarded not later than Tuesday.

The junior match prior to the big match is between Swansea and the newly-formed Islington team; this team being mainly the successful Hamilton 4ths of last season. Swansea appear to be a fairly strong eleven, and have some well-seasoned players amongst them. The match should be a good curtain-raiser.

Adamstown defeated West Wallsend three times in 1923, viz., at Adamstown, 3 to 1; At Tramway, 1 to nil, in Ellis Cup, and in the semi-final, 2 to nil.

#### PERSONAL.

Player Broad, of Auburn, last year, and Sydney, was an onlooker on the Sydney Cricket Ground No. 2 on Saturday last. Broad has been placed on the open transfer list, and it is said may turn out for Bal. Fernleigh.

With him was Stobie, ex-Balmain Fernleigh, who has secured a permit to play second grade with Fire Brigades. Fernleigh could do with him badly enough; still the Fire Brigades need him more if they are to improve on their exhibition of last Saturday.

Fred Yabsley, one of the fastest outside lefts that has played of recent years, at least in Sydney, is a spectator on account of a ricked knee sustained in a Cronin Cup match at Ibrox Park in the last match of season 1922.

Fred was hopeful of turning out again for Fernleigh this year, but his knee still troubles him.

Joe Fisher, the popular Hon. Secretary and right half of Balmain Fernleigh, is included in the twenty-two players that go into training in connection with the Metropolitan match against the Canadians. Joe is picking up form again this year, and will be a tough proposition for opposing left wings.

B Division.—South Sydney v. Alexandria, Waterloo, 3.15 (Young); Booralie Rovers v. Garden Island, Crescent Oval, 3.15 (O'Toole); Botany Albion v. Manly, Booralie Oval, 3.15 (Sainty); Burns' Club v. Eastern Suburbs, Centennial Park, 3.15 (Blakely); Sydney v. Metters, S.C. Ground No. 2, 1.45 (Harber); Callan Pk v. North Sydney, Callan Park, 2.30 (Clark).

##### Players Selected for Training.

The following players have been selected to commence a special course of training for the opening fixture of the Canadian tour against the Metropolis, at the Show Ground, on May 10th:—

Goal-keepers.—G. Cartwright (Gladstones and Atchison (Granville)).

Backs.—Leabeater (Granville), S. Robinson (Pymont Rangers), Gallen and Driscoll (Gladstones).

## INTELLIGENT PLAY.

## An Urgent Need.

By "South's Sec."

Coincident with the starting of a new season there is a fresh feeling of optimism abroad. All the clubs are hoping they are going to have a fine time. They are confident in their power to do well. It is a good thing that these sentiments prevail, although there is bound to be a shattering of hopes before next September. Still, I wish every club a pleasant season. That only can be brought about by clean, hard, determined football. We want football of an intelligent type, not merely kicking the ball aimlessly, without any thought of what is going to happen.

It is delightful to go to a match and see players using their brains in a constructive manner. Some men appear to be always on the alert as to the trend of play and anxious to do nothing that will militate against the success of their side. This is obvious when a player is watching the movements of his opponents with a view to keeping in play himself, and if necessary coming back a few yards so that, if the ball is drafted in his direction, he will be able to take advantage of the opening without being off-side.

## Many Ways.

There are many other ways in which a man can show his adaptability, such as by calling for the ball when he is unmarked, or telling his partner to pass it through. Such anticipation reveals intelligence, and helps to make the game better. While we do not want selfishness on the field, I hope we shall have more individual play. There is a vast difference between individual play and selfishness. A man should not stick to the ball until he is hemmed in by opponents or cling to it when by a pass he might furnish a colleague with an opening for obtaining a goal; but he is wise not to part with the ball immediately he is challenged by an opponent, if by retaining it he can draw the defence, and then

## Use Your Eyes.

There are, however, two necessities in playing football that players seem to forget. Every one must use his eyes, must constantly sweep the field with comprehensive glances, or else he is useless. The eyes should set every man thinking, using his wits. If there is no summing up, no estimating, no sense of what is likely to happen next, then the game can be made a farce. It is turned into a farce when a forward is so blind and therefore so stupid that he cannot see when a back is going to adopt tactics which place him off-side, at least the man who has the ball can go on himself. It is far easier for attackers and the man who has the ball to beat the back. The side which has the ball possesses the advantage, and yet they allow a back without playing the ball to rob them because some men will not use their eyes, and will not foresee what is going to happen. Therefore, be intelligent, use your eyes and brains, and better football the spectators will see.

## THE RYDE ASSOCIATION.

## Ryde Park Obtained.

The Ryde Association, although only the baby in what is fast becoming a numerous family, bids

fair to follow the best traditions of the Soccer game.

Seven entries have been received for the All-Age Competition, viz., Carlingford, Concord (2), Hornsby, Roseville, Ryde and West Ryde. The standard of play in this competition should compare favorably with that of the older districts. West Ryde were runners-up in Granville last year. Hornsby played in the Metropolitan second grade; Concord A's contain the majority of the old Bergers' team, whilst Ryde have a fair sprinkling of players from the P. Churches' Association. We should therefore be able to hold our own in the Association Cup.

The Under Sixteen also brought forth seven entries. What the boys in this division lack in size they make up in enthusiasm. We have no doubt that some of the present juveniles will follow Harry Spurway's lead, and later represent Australia.

To date the Under Eighteen Competition has only three entries, and things do not look too promising. Nevertheless, in the other divisions, the Association is assured of a good season.

The Association was fortunate in obtaining the Ryde Park playing area. They intend asking the Metropolitan M.C. to allot a first-grade match there during the season. This will give the Ryde supporters of the game a chance to see a first-class exhibition of Soccer.

All Age defeated Farmers' Ltd. by 7 goals to 2. Scorers: S. Greenstein 5 goals; Nicol 1 goal, Warner 1 goal.

The Club wishes to announce that the opening social and dance will be held at headquarters, the Langridge School of Physical Culture, 3rd floor, Denison House,

380 George Street, City, on Saturday, May 10th, at 8 p.m.

Tickets are four shillings each, and supporters can secure same at the above address.

#### BILL MAUNDER.

Everyone, both player and follower of Soccer, will be deeply sorry at Bill Maunder's hard luck in breaking an arm at the elbow, in last Saturday's game in the Newcastle competitions. This will mean that Bill's team will lose him for the whole of the season, and they will feel this keenly. Newcastle is especially proud of Maunder; his reputation as centre-forward is known all over Australia, he having won many representative honors. The sympathy of the clubs goes to him, with best wishes for a speedy recovery. The Council of the N.S. Wales Association last week decided to despatch to Bill its regrets and deepest sympathy.

## Protestant Churches Association

### THE OPENING.

The above Association opened its season last Saturday by staging twenty-two matches. Thanks to the magnificent work of management, not only were we able to provide all our own teams with grounds, but was able to assist our friends, the M.J.F.A., by providing them with a ground.

In First Grade some very good games were seen. Lakemba Congs. A v St. Paul's provided an interesting match, both sides exhibiting good football. Secretary Watson, Licyard, Nielson and Wilson were the pick of the field, the scores being 2—2. Another draw was the result of the St. Aidan's A, St. John's Bal. A match, Bentley and Dunford, together with both goalies, played well. If St. John's want to have victories they should pass the ball more. Thanks to Alder and Lindsay, Hurlstone Pk. Congs. managed to send four past Ryde Meth. Custodian, and you want to buck if you hope to "rep." this year, Naylor. Drum. Bapt. were decidedly off color, and allowed Alex. Mission A to walk all over them. Archer was in great fettle for Marrickville Pres., and they owe it to him that they drew with H. of Trinity vbgkqea drew with Holy Trinity. If S. White cares to look after himself he should do well this year. Croydon have some fine players in Redfern and Kinsless. Both goalies gave good exhibitions. Newtown Congs. A, which team is playing many of St. Alban's Ult. B, proved too good for Dulwich Hill Bapt. Wells and Can put up a good losing fight, while Marsden and Stammers were always there for Congs. Botany Meth. A had a fairly easy time, thanks to Warren, Bullock and Buchly, though Judd and Broome did well for the Green and White. Enmore Tabs. figured badly on their return, suffering a great hiding from Alex. Congs. A few Stanhopes are urgently required.

Leichhardt Pres. started well against Austens, but fell away after lemon time, and went under 2—4. Parkes is another goalie who was to the fore on Saturday

tend to do far better this time. and have started off with a 5—0 victory, after a very clean game. Though only fielding nine men, St. Columbs, though they could only nett one themselves, were at least able to prevent St. John's Bal. B from scoring ha ha. Abbott was going great guns. Newtown Congs. B followed in their senior's footsteps, and tossed St. Silas 5—2. St. Thomas put up a good fight, but are not heavy enough for Alex. Mission B. F. Pierce, though small, is a great trier. St. Luke's signalled their entry into the P.S.S.F.A. by knocking Botany Meth. B after a hard game.

Combination allowed H. Pk. Meth. to towel St. Stephen's Kingston 4—1. St. Aidan's B were not so fortunate, as their A's, and went down to Lakemba 4—0. Mills put in some good work.

St. Paul's and Lakemba Congs. A should be about the best match to-day.

### SPECIAL COUNCIL MEETING.

Councillors are reminded of the special Council meeting to be held on Tuesday next, at All Sauls' New School Hall. One of the important matters to be discussed will be the playing of ordinary fixtures, while the Inter-Association representative matches are in progress. This matter will vitally affect Second and First Grade teams.

### Goulburn Rep. Match.

The representative Second Grade team to meet Goulburn on Leichhardt Oval on 10th May will be available on Tuesday, 6th May. The rep. teams from A and B divisions will also be available on that night.

### Moonlight Excursion.

Some teams are still preventing the Hon. Treasurer from preparing a complete statement as regards the profits of this venture.

### St. George Bch.

Our St. George Bch. opens to-day, though one can never tell. Carlton Meth., last year's premiers, appear to be good but have

Gil Turner is a product of Annandale, and is a fine forward when in the mood. He misses his clobber. "Dutchy" Phillips, this year, for Dutchy has thrown in his lot with Kurri Kurri. Turner played inside right on Saturday, but is perhaps better suited in the outside position, where he has more room to move. He has also been adjudged as being in the first twenty-two players in the Metropolis, and if he should secure selection would make plenty of bright play for the onlookers.

## CLUB SECRETARIES, CORRESPONDENTS, AND OTHERS.

Gentlemen,—

The management of the "Soccer News" is desirous of placing on record its sincere thanks for the loyal and practical support given by you last season, and sincerely hope that the same co-operation will be accorded during the current year.

Success is largely dependent on giving our readers news that is both reliable and of general interest. You are therefore earnestly requested to send along your contribution each week, the same to reach the Editor not later than 5 p.m. of a Tuesday.

Distribution.—The same facilities as last year will be in operation. That is:—

"Orders for twelve or more copies will be delivered to any address within the city boundary, such delivery to be made before 5 p.m. every Friday."

## The Metropolitan Juniors

### The Season Starts.

A fair attendance marked the opening of the junior season on Saturday last at Headquarters, Primrose Park, where eight teams fought for supremacy.

The early fixture on No. 1 ground was A Grade, but the class of football put up by the engaging teams, Easton Park and Marrickville Avoca, was not up to standard. Easton Park was the most evenly balanced team, although the goalkeeper who rarely touched the ball gave away some unnecessary corner kicks. The scores, 2—0, did not indicate the game, as it was only the good defence of Avoca's left back and their goalkeeper that prevented a greater defeat.

The late game between Marrickville Avoca and Sydenham was one-sided, as the scores indicate, 5—1, chiefly the first half, Marrickville scoring 3 to their opponent's nil; the second half was more even. Sydenham playing against the breeze, putting up a better game.

As this is the first time this team has been together, there is a possibility of a vast improvement.

Four C Grade teams filled No. 2 ground, Pyrmont defeating Newtown with a margin of 2 goals to nil. The late game was a runaway win for Botany Rechabites, defeating Nestles 6 to 1. Botany, though much smaller and lighter, had things all their own way, and show promise of being a good team.

### A REMINDER.

Club Secretaries are reminded that all fixtures, whether won or lost, must be reported to the Hon. Secretary, Sports Club, Hunter Street, Sydney, reaching there no later than Monday, at 5 p.m. This will enable an up-to-date competition table being given in the "Soccer News" each week which will enable clubs to see what position they hold on the competition ladder. As this in-

following that in which this paper is printed, inserted in these columns, and all clubs are to abide by them unless otherwise informed by letter.

### ALL AGE.

Manly Thistle, a new team in this grade, were drawn against United Juniors in their opening match, and were rather easily defeated by their more experienced opponents.

Leichhardt Juniors narrowly defeated a vastly improved Pyrmont Refinery team by 2—1. The Juniors are a B grade team from last year, and are without the services of two of their best players.

### A GRADE.

Annandale Altona had a runaway win from Kangaroos, the score being 9—1. Lilyfield narrowly defeated Glebe Arcadia by 1—0. These teams have met on five occasions, four being drawn games, while the fifth was won by Lilyfield in the concluding stages.

53rd Battalion, a new combination to the M.J.S.F.A., have started well by defeating Sargent's 2—0. Sargent's are also a new team, and with further experience will no doubt improve their play.

### B GRADE.

St. Peter's defeated Lilyfield United by 9—2. The winner played wonderful combination; their headwork was a noticeable feature, and the forward work was very clever. Lilyfield, composed of mostly last season's team, was decidedly weak in the back division, while their half line did not support as well as could be expected. St. Peter's are team to be reckoned with.

Leichhardt Juniors defeated Banksmeadow after a very exciting game by 3—2.

### C GRADE.

In division 1 some narrow victories were gained; this division promises some exciting games, the teams are all close together.

### The Season Starts.

A fair attendance marked the opening of the junior season on Saturday last at Headquarters, Primrose Park, where eight teams fought for supremacy.

The early fixture on No. 1 ground was A Grade, but the class of football put up by the engaging teams, Easton Park and Marrickville Avoca, was not up to standard. As this information is interesting, not only to players, but to supporters as well, it is hoped that Club Secretaries will do their duty.

### IMPORTANT.

It is the Association's intention to have the fixtures for the week,

following that in which this paper is printed, inserted in these columns, and all clubs are to abide by them unless otherwise informed by letter.

### ALL AGE.

Manly Thistle, a new team in this grade, were drawn against United Juniors in their opening match, and were rather easily defeated by their more experienced opponents.

Leichhardt Juniors narrowly defeated a vastly improved Pyrmont Refinery team by 2—1. The Juniors are a B grade team from last year, and are without the services of two of their best players.

### B GRADE.

St. Peter's defeated Lilyfield United by 9—2. The winners played wonderful combination, their headwork was a noticeable feature, and the forward work was very clever. Lilyfield, composed of mostly last season's C team, was decidedly weak in the back division, while their half line did not support as well as could be expected. St. Peter's are a team to be reckoned with.

Leichhardt Juniors defeated Banksmeadow after a very exciting game by 3—2.

### C GRADE.

In division 1 some narrow victories were gained; this division promises some exciting games, as the teams are all close together, and keen rivalry is sure to develop as they go along. Lilyfield, last year's Premiers, have started off well by defeating Leichhardt by 3—0, although, several new faces appear, the old players being located in their B team. They should be heard of later on.

### NEXT SATURDAY'S FIXTURES.

#### C Grade Division 1.

Annandale Waratahs v Rozelle Waratahs; Annandale United v Lilyfield; Rozelle Juniors v Leichhardt Wanderers; Annandale Federals v Rozelle Fernleigh.

#### C Grade Division 2.

Warren Iona v Pyrmont; Warren Avoca v Enmore United; Manly Juniors v Marrickville Rangers; Marrickville Avoca v Newtown Iona.

#### C Grade Division 3.

Long Bay v Kia Ora v Nestles; St. Peter's Kans. v Banksmeadow Rovers; Bondi Beach v Punch Park; Manning Rovers v Botany Rechabites.

### THE RYDE CLUB.

The new Ryde Club is starting its first season with great hopes for success. We are entering teams in the A and C divisions.

The C team have already proved their mettle in practice games. They defeated Gladesville by one to nil, and on Saturday last put it over Drummoyne to the tune of six to nil.

There is some good material in this team, and with help of Geoff Trafford, who is looking after their interests, they should have a good deal to say in the ultimate destination of the medals.

The A team kept their end up well by defeating Concord B by seven to nil on Saturday. They need not sit back, however, on the strength of this, as Concord are new to the game, and will doubtless be a different proposition when they have played a few competition matches.

## Abbreviated Laws of the Game

Eleven players form a team. For positions see team list.

**HANDLING THE BALL.**—The goalkeepers only may play the ball with their hands, and they only within the penalty area. **INTENTIONAL** handling only is penalised by a free kick to the opposite side, opponents keeping back ten yards.

**OFF-SIDE.**—This is the hardest rule of all. A player cannot be off-side in his own half of the field of play, nor when the ball is last played by an opponent, nor if he is behind the ball when it is last played. He cannot be off-side when a corner kick or throw-in is taken, this protection ceasing when the ball is again played by one of his own side. With these general exceptions a **PLAYER MUST HAVE AT LEAST THREE OF HIS OPPONENTS NEARER THEIR OWN GOAL LINE.** To be penalised a player must be playing the ball or interfering with the play.

### CANADA'S EARLY HISTORY.

By J. McDougall.

"The Canadian team visiting Australia will be the first representative Canadian side that has ever played abroad."—(The "Soccer News," April 26, 1924).

In view of the visit of the Canadians to our shores, the early history of the game in Canada is of interest, and is on a par with the work of the pioneers of the game in Australia, and quoting facts I am forced to contradict the above statement in fairness to ourselves and visitors alike.

In 1875 Soccer was first played in America, and unfortunately the game did not make much headway in the South, but in 1880 some Scotchmen (the actual pioneers of Soccer throughout the Empire), found more encouragement in Canada, where their efforts met with great success. The Western Association of Ontario was formed first, and in 1882 had some forty

**FREE KICK.**—A free kick is awarded for handling the ball, tripping, kicking, jumping at, holding, pushing, or illegally charging an opponent or dangerous play.

**PENALTY KICK.**—This award for the following infringements within the "penalty" area (18 yards mark): Tripping, kicking, striking, jumping at an opponent, handling the ball, holding, pushing, or illegally charging an opponent. All players except the player taking the kick and the opponents' goal-keeper must keep outside the penalty area. The kick is taken from a mark 12 yards from the goal line.

**GENERAL.**—Intentional infringements only are penalised, and generally speaking the "advantage" rule is followed.

Charging is permissible, but must not be violent or dangerous.

the matches, and at least one of its best players—J. B. D. Code—who was wounded at Fish Creek, lost his life. At this time Soccer prospered in the States to a considerable extent, and an Association was formed in New York, the American F.A. Great progress was made in the North, where, in addition to the Western Association, there was an Eastern Association in Montreal and Ottawa, a Toronto Association, the Central Association, and the Winnipeg Inter-Collegiate Association, so that Soccer in the Dominion was in a very flourishing condition.

The "father of football" in Canada was the proverbial Scotchman, David Forsyth, a well known player in his day. He devoted a great amount of time and energy to the development of the game in the West. It was chiefly owing to his efforts that a Canadian team visited England in 1888. Although several attempts have been made to induce a British team to tour the Dominion, efforts have so far been unsuccessful in securing such a visit.

Australia followed Canada's ex-

Charging behind is illegal unless an opponent is obstructing, but must under no circumstance be violent or dangerous.

**GOAL.**—A goal is scored when the ball has passed between the goal posts, under the bar, and completely over the goal line.

**CORNER KICK.**—If the ball is played behind by one of the defending side, an opponent shall kick it from within one yard of the corner flag.

**THROW-IN.**—The ball is out of play when it has passed completely over the touch line. The throw-in is taken by an opponent who must stand with part of both feet on the line and throw the ball with both hands over his head.

**DURATION OF GAME.**—Except when otherwise arranged, the duration of a game shall be two spells of 45 minutes.

From practically the same beginnings, two sister nations, within the great sporting Empire, are making further history. The game has advanced correspondingly in both countries; we know its growth here, and in Canada representatives we experience the work achieved in the Dominion where the game is first in popularity, and played in every part of a vast country. Our future is exceedingly bright, and the time is not far distant when Soccer will be in Australia, as it is in other parts of the world, "Second to none."

### IMPORTANT DECISION.

The Management Committee of the M.S.F.A. has decided that the First Division matches will only be played on enclosed grounds this season. In conjunction with the clubs concerned it will endeavour to find enclosed home grounds for those clubs which already possess unenclosed home

## The St. George Association

### Gladesville v. Sydney.

At the St. George Sports Ground on Saturday a large attendance turned up to watch the First Grade Soccer football match between Sydney v. Gladesville. The first half produced many thrills, more particularly in the early stages of the first half, when Gladesville ran Sydney off their feet for the first 15 minutes. Henson, D. Fowler and Macfarlane had splendid opportunities to score, but failed owing to erratic kicking, when in front of goal. On one occasion, Bailey, Sydney's goalkeeper, was forced out of his goal. The ball went to Henson, who with an open goal, kicked the ball over the bar. Sydney gradually settled down to good team work, and forced three corners in quick succession; from the last Robson netted. At half time, the score was in favor of Sydney by 1 goal to nil. The game in the second half started off at a terrific pace. Gladesville tried hard to equalise, but they found in Forrester, Smart and Montgomery, a formidable defence for Sydney.

From a combined forward movement by Sydney, Fitzgerald outplayed Waldegrove and Lyon, and scored in the corner of the net. Sydney, 2 goals, Gladesville nil. Gladesville afterwards became disorganised, and Sydney scored four more goals (2 were from penalty kicks), Robson being the only scorer. The forward line of Sydney—Burns, Fitzpatrick, Robson, Sherringham, and Mellier-Smith—were perfect. Robson proved a splendid pivot, and his colleagues always found him in his position which was the success of his scoring five goals.

### TO-DAY'S MATCHES.

The chief match at the St. George Ground to-day is another First Grade game between St. George and Canterbury. The latter team have always held a good

Oval last Saturday, and played Lachlan Rangers and was successful to win their first grade competition match by 3 goals to 1. Lee, Burns and Weekes scored for St. George.

### REFEREES' ASSOCIATION.

The St. George Soccer Referees' Association have only a limited amount of referees, although last season they had enough to get round. This season 24 teams have joined the St. George F.A. which is just double the number of last season. Any person, including old players, wishing to blow the whistle, are requested to apply to Mr. H. Read, 7 Derby Street, Kogarah, or attend the referees' meeting, Kogarah School of Arts, every Monday night, where they will be welcomed.

### PRESENTATION OF TROPHIES.

At the Kogarah School of Arts last Thursday night the St. George Soccer F.A. held a dance and social, for the purpose of presenting the trophies won by the A and B grades last season. Mr. West, President, presided. Mr. E. Lukeman, the Secretary of the Commonwealth F.A., presented the Dye Cup and medals to the Kogarah F.C., and congratulated them upon being the first winners of the Cup.

Mr. F. Langford, representing the Metropolitan Senior Soccer F.G., presented the medals to the Rovers' winners of B Grade.

He congratulated the team, and also congratulated the Association for the great progress they have made with the Soccer Code in the St. George district, starting with 12 teams last season, and now controlling 24.

Australia followed Canada's example very quickly, as in 1881 or 1882 a few enthusiasts from the Old Country set the ball rolling, which has now reached international fame, and we in Sydney are pleased that our fair city was the starting point then, and is the centre of Soccer in Australia to-day.

#### IMPORTANT DECISION.

The Management Committee of the M.S.F.A. has decided that the First Division matches will only be played on enclosed grounds this season. In conjunction with the clubs concerned it will endeavour to find enclosed home grounds for those clubs which already possess unenclosed home grounds.

Only two clubs—Auburn and Two Blues—are affected, and the M.C. believes it can, should these clubs desire it to do so, obtain enclosed home grounds for them.

## HOW TO PLAY SOCCER.

## Hints and Rules.

Compiled by Ralph H. Midgley.

In compiling these notes on our game, I have closely followed the writings of leading players and officials in Great Britain, and the Referees' Chart, 1923 edition.

These, together with my own experience and observation of the finer points of the game, will I trust prove helpful to our players in consolidating their team work.

## The Value of Combination.

I must impress upon players, firstly, the absolute necessity of combined team work. This is the foundation of our game, and efficiency can only be obtained by it. Individuality has never been known to make a great team. Certainly a good player should be able to defeat an opponent with craftsmanship in footwork, but only for constructive purposes—don't overdo it. An attacker who is capable of mixing his methods is infinitely more difficult to stop than one with only one trick in his "knowledge box." Strive to become efficient by playing "to"

first exploited, I think, by that greatest of all English combinations, Aston Villa, and so ably illustrated to us by the recent visiting Fleet team, is, in my opinion, of the utmost importance in getting the best results from any forward line. The wing half-backs should collaborate with their inside and wing forwards in an attack, and always be just behind their front pair ready to receive a back pass, thus making an additional forward as the occasion demands. Remember attack is the best defence. The oftener your forwards are kept on the attack the fewer opportunities your opponents will have.

## Skying the Ball a Great Fault

A common fault with most of our players is "skying" or "ballooning" the ball. This is caused by players not kicking the ball correctly. Learn to shoot with the instep and not the toe of the boot. By using the toe you invariably raise the ball. Also use the side of the boot when passing the ball; you will find you have far more control in placing a ball correctly than with the toe, and what is all important you will be able to keep the ball on the ground. A pass along the turf a man can gather in his stride, but when, as so often happens, the

## COUNCIL MEETING.

Metropolitan Association.

The Council meeting of the Metropolitan Association, due to take place next Monday night, at the Sports Club, has been postponed till the following Monday, May 12th.

All Councillors are requested to take this as the official intimation.

The action is taken on account of the fact that the Commonwealth Association has arranged the official reception to the Canadians for Monday, May 5th.

## CANTERBURY CLUB.

The Canterbury Club announce that they are badly in need of an outside left, and will welcome a new member to the club meeting to try out in this position.

Anybody interested is asked to write to R. H. Midgley, 493 Kensington Street, Sydney.

## THE FOOTBALL ASSOCIATION

The following minutes of the English Football Association make interesting reading:—Law 6. Offside: The Committee having communicated with a referee for continually stopping play and ordering free kicks, when players although in offside positions, were not interfering with an opponent or with the play, decided that the attention of referees be again called to the following decision of the Council:—

"Play should not be stopped and a player given off-side under Law 6 because a player is in an off-side position. A breach of the Law is only committed when a player who is in an off-side position interferes with an opponent, or with the play."

A letter was considered from Durham F.A., requesting a decision upon the following:—Where does the jurisdiction of a referee over the players actually commence?

The committee expressed the opinion as follows:—A referee has power to deal direct with a player for any breach of the law of the game after he has signalled for the play to commence, while
